- 220+ bed regional hospital with additional beds in observation, mother/baby, ER, and other units
- 3,200 employees and 150 volunteers
- 200 physicians in specialties and sub-specialties
- 166 nurse practitioners and physician assistants employed

## Community

- Richmond, Indiana is centrally located in East-Central Indiana and West-Central Ohio.
- The city is family-oriented with more than 35,000 residents.
- Quality public, private, and charter schools at the primary and secondary levels across the region.
- Home to Earlham College, Indiana University East, Purdue Polytechnic Richmond, Ivy Tech Community College, and two seminaries.
- Explore Wayne County's Chocolate Trail, shop Antique Alley, visit the historic Levi & Catherine Coffin House ("President of the Underground Railroad") in Fountain City, or pick up produce at the Farmers Market, relax with live music at local venues, and enjoy other activities offered year-round, many for free.
- Opportunities for festivals, art and historical museums, civic theater, and the symphony orchestra.
- Enjoy local and state parks, theme parks, or skiing at Perfect North Slopes.
- International airports and access to urban amenities nearby in Indianapolis, Cincinnati, and Dayton.

Dedicated to well-being, one person at a time. Reid Health acts in the best interest of our patients, with their care as our top priority. Our community of physicians offers primary, specialty, and sub-specialty care. Physicians participate in leadership and are part of an environment where they are supported, engaged, and valued by their peers and administrators.
