

SEMESTER-BY-SEMESTER EXAMPLE- HEALTHCARE AND BUSINESS MAJOR

This is **one example** of a 4-year course plan that satisfies the requirements for a healthcare and business major. This is just one example, there are many possible variations. This example includes an optional **Risk Management concentration** and strives for a 7-semester graduation. This schedule could also be easily modified to study abroad for an entire semester and graduate in the usual 8 semesters.

	Fall Semester	Spring Semester	Comments
1	BSHS 110 Intro to Healthcare <i>*fall or spring 1<sup>st</sup> yr*</i> CH 105 Gen Chem 1 FYS 101 First Year Seminar 1 MA 125 Business Calculus MS 100 Business Applications w Excel WB core class BSHS 100 Explore*Prepare*Succeed 1	BSHS 110 Intro to HC <i>*fall or spring-not both*</i> CH 106 Gen Chem 2 FYS 102 First Year Seminar 2 BI 105 Cell Biology EC 231 Microeconomics Perspectives in the Creative Arts class* BSHS 105 EPS 2	BSHS 110 can be taken fall or spring, but should be 1 <sup>st</sup> year  At least 20 hours shadowing outside classroom also required  Summer term: Global and Historical Studies 1 core class*
2	AC 203 Accounting 1 MS 264 Statistics EC 232 Macroeconomics EI 201 Real Business Experience BSHS 230 Health System and Policy BSHS 225 Interprofessional Health Education BSHS 200 EPS 3	AC 204 Accounting 2 MS 265 Information Technology RM 350 Intro to Risk Management BSHS 290 Public Health BSHS 215 Medical Terminology BSHS 430 Healthcare QI BSHS 200 EPS 4	Summer term: Global and Historical Studies 2 core class *
3	PX 326 A&P 1 MK 380 Intro to Marketing EC 246 Healthcare Economics RM 370 Employee Benefits & Retirement Planning BSHS 360 HC Ethics BSHS 300 EPS 5	PX 327 A&P 2 RM 360 Insurance Company Operations BSHS 340 HC Communication BSHS 350 Health Disparities Text and Ideas core class* BSHS 305 EPS 6	Internship summer to fall (enroll in fall term)
4	MK 386 Healthcare Marketing MS 377 Healthcare Information and Technology management BSHS 301 Internship – Insurance/Risk Management related (6 hrs summer and fall) BSHS 460 Evidence Based Healthcare BSHS 400 EPS 7		Must have at least 200 hours of experience outside of classroom completed prior to graduation

\*Core classes may be easily interchanged and type/semester isn't important, as long as all are completed (Note in this example, the SW core requirement will be waived due to 3 EC classes being taken, and the NW core requirement satisfied with to CH 105/106)

\*\*\*\*Many of the business courses are sequential, pay attention to the prerequisites. Strive to get all the 100 and 200 level business classes complete by end of 2<sup>nd</sup> year. Contact LSB for questions related to summer or transfer options for business courses, as it is likely that only courses from AACSB accredited schools would be accepted.
